

UNIVERSITY HOSPITALS PHYSICIAN PORTAL REQUEST

Thank you for your interest in the University Hospitals Physician Portal. The UH Physician Portal connects providers with patient demographic and medical information across inpatient and outpatient UH facilities and affiliate hospitals. Providers are able to view a more complete picture of their patients' care and health as documented across the UH system and affiliate hospitals, which is vital to continuity of care and patient safety..

How to get access to the UH Portal

Please fill out the attached sheet with the required security information. Upon completion please return to your designated UH physician liaison or to PhysicianLiaison@uhhospitals.org. You will receive an email requesting you complete the required compliance training and sign our data use agreement. **Please note that you must complete the required compliance training within fourteen days.** Once completed your UH Physician Portal account will be established within 5-7 days. You will receive an email confirming once it is set up.

Training Information

You are welcome to complete a short, self-paced, online training course to educate yourself of the capabilities of the UH Physician Portal. You will learn how to search for patients, view clinical data, print reports and more. To access the training link go to: <http://content.learnshare.com/courses/81/460419/run.html>

Logging in to Physician Portal

1. In your Internet browser, go to <https://portal.uhhospitals.org/portal-physician/login>
2. Enter your UH Network credentials and select **Login**. If you forgot or don't have a UH user ID and/or password, call the UH Service Desk at 216-844-3327 for assistance.

When you log in for the first time, you must read and accept the UH Physician Portal User Agreement. You will then be prompted to select and answer 15 challenge phrase questions. As an added security measure to protect patient data, you will be asked to answer one of these questions whenever you log in to the UH Physician Portal.

Questions

For questions related to the UH Physician Portal, please contact the UH Service Desk at 216-844-3327.

The University Hospitals Physician Portal is a secured service specially developed to provide UH physicians and physicians who refer patients to UH secure, real-time information about their patient's treatment progress.
